

# Inner Fetal Dismemberment

Lividity

Carefully choosing my tools  
Only the sharpest of devices  
While caressing the stomach  
I slowly begin insertion

Blindly I try to find the life the grows within  
And Inner Fetal Dismemberment will begin

Fluids rush as the embryonic sac is punctured  
Moaning, Bloated, Bitch  
Severed appendages, decapitated  
Blood spews from your widened crevice  
Drenched in the fluids  
Contractions begin

Push  
Your cunt becomes vomituous  
Push  
spitting ragged pieces of flesh  
Push  
Undeveloped bones piece and splinter  
Push  
Guts and mushy pulp-like flesh

Tiny intestines fall like shit  
From the mutilated birth canal  
To the floor this horrid mess  
Thin tender skin so sweet  
Join me in my feast  
Mouth waters with anticipation  
She helps me indulge in this meal  
Lust marinade delicacy  
She has created
