

Randomly Raped Rectum

Lividity

Randomly, randomly raped rectum! With my knife, fucking
Your rectum! I will die, you will die, everyone I see
Will die, I will die, you will die, die! As you lay there
Dead beneath me, cock in my hand, lay there dead as I
Spew my stench on you! I rape you from behind, fucking
Whore! I shit inside your mouth, I cum! Randomly, radomly
Raped rectum! I raped your rectum, forced to take my load!
