

Roman Whores

Lividity

Rooms lined out in black and red - Satan's colours
And in green, the colour of the roman whores!
A naked girl, stretched out - lay down on the altar!

Above her body you read the bible - reverse
And sing hymns to satan
In the shine of black candles

You see red blood flow
Is it her's or is it your's

Above her body you read the bible - reverse
Die, Die, Die...
