

## Black Night

Livin' Blues

Nobody cares about me  
Not even have a friend  
My baby's gone and left me  
When will my troubles end

Black night is falling  
Oh, how I hate to be alone  
Well I keep on crying for my baby  
But now just another day is gone

No, I have no one to talk to  
To tell my troubles to  
I don't know, I don't know I'm living  
Since I lost you

Black night is falling  
Oh, how I hate to be alone  
I keep crying for my baby  
Well just another day is gone

My mother had troubles  
My father had them too  
My brother is down in Vietnam  
And I don't know what to do

Black night is falling  
Oh, how I hate to be alone  
I keep on crying for my baby  
Well no just another day is gone
