

Funny Vibe

Living Colour

No, I'm not gonna rob you

No, I'm not gonna beat you (Beat you)

No, I'm not gonna rape you, so why you want to give me that funny vibe

(Funny, funny vibe, funny, funny vibe, funny, funny vibe, funny, funny vibe)

No, I'm not gonna hurt you

No, I'm not gonna harm you (Harm you)

And I try not to hate you, so why you want to give me that funny vibe

Hey Joe, you guys will not believe us out there

Yeah Flame, I'm tiered of them dissing brothers in the P.E. out there, we got to do something about this

(What-a we do? (What-a we do?)) You know what I'm saying?

Funny vibe

Why you want to give me that (Why you want to give me that?) funny vibe?
