

## Postman

Living Colour

I am an angel, stand in the corner, nobody sees me  
Invisible angel, make certain signals, only I know what they mean  
an

Dogs and demons walk in my head  
I am deep under pressure  
I understand what I have to do now  
I know I'm just following orders

They crucify me again and again  
I won't stay on the cross  
Nobody knows the trouble I've seen  
Nobody knows what I've lost

Heavy things, in a heavy bag, heavy thoughts on my mind  
Ghosts and monsters, you bastard sinners, you've ruined my life

I walk through a crowd, nobody sees me, I'm invisible here  
I've come to finish my mission and put an end to his fear

They crucify me again and again  
I won't stay on the cross  
Nobody knows the trouble I've seen  
Nobody knows what I've lost

Day in, day out, day in, day out  
Chaos and carnage around me  
Well I hear their shouts and cries  
Well I laugh at the gut when they try to surround me  
They won't take me alive

They crucify me again and again  
I won't stay on this cross  
Nobody knows the trouble I've seen  
Nobody knows what I've, nobody knows that it's

Day in, day out, day in, day out, day in  
Nobody knows the trouble I've seen  
Nobody knows what I've lost
