

Time's Up

Living Colour

Time's up, the rivers have no life
Time's up, the world is full of strife
Time's up, the sky is falling
Time's up, the Lord is calling

How you gonna stop the clock now
When the well runs dry?
All the rivers have died

Moment by moment
Day by day
The world just slipping away

Your future won't save your past
The time is now, it won't last

Then time is nigh
Time to do or die

Time waits for no one
If you want to go on
Give me somethin' to grow on

The forest, the trees
The rivers, the seas
All die of this disease

Time ain't on your side
Don't sit idly by
You've got to just try

[Inaudible]
