We are the children of concrete and steel
This is the place where the truth is concealed
This is the time when the lie is revealed
Everything is possible, but nothing is real

Corporate religion
Televangahypnotism
Suffer till you die
For the sweet-bye-and-bye
Science and technology, the new mythology
Look deep inside
Empty

We are the children of concrete and steel
This is the place where the truth is concealed
This is the time when the lie is revealed
Everything is possible, but nothing is real

Everything that goes around
Comes around

Hypothetical
Theoretical
Circumstantial evidence
Irrelevance
Don't think twice
Just roll the dice
Pay the price
Snake eyes

We are the children of concrete and steel
This is the place where the truth is concealed
This is the time when the lie is revealed
Everything is possible, but nothing is real

We are the children of concrete and steel
This is the place where your fate has been sealed
This is the time when your life is revealed
Everything is possible, but nothing is real

Everything that goes around
Comes around...
