

Unfit to Live

Living Sacrifice

Product of some enlightenment Cheapening a life once
lived
The feeble and degenerate Deemed unworthy living burdens
Social engineering Genetic playground of the elite

Rationalize these thoughts and processes
Sterilize - Conclude who can live and die
Selective breeding - Racial hygiene
The extreme survival of social Darwin
Social engineering Genetic playground of the elite

Who decides who lives and dies?
What is the cost of life?
The intellect of a Mini-God

Selective breeding - Racial hygiene
No compassion in this process
Only pseudoscientific notions

Who decides who lives and dies?
What is the cost of life?
Who decides who lives and dies?
