## **Bom Bom Bom**

**Living Things** 

We're gonna wake this city tonight Oh, watch it burn into the twilight I said hey, hey, hey this is our birthright To be bought and sold, shipped off ready to die. We're ready to fight. We're going bom bom bom. Bom bom away bom. Bom bom, bom bom. We go bom bom, bom bom away bom. Bom bom, bom bom. I can't drink or drive a tank at nineteen So I set off to join the U.S. Army The first time I left my country I felt the desert sand marchin' under my feet. Come march with me. We're going bom bom bom. Bom bom away bom. Bom bom, bom bom. We go bom bom, bom bom away bom. Bom bom, bom bom. We're gonna take this city tonight We're gonna shake this city 'til broad daylight We're gonna take this city tonight We're gonna shake this city 'til broad daylight Shake it. Oh shake it. I said: No NYC, Los Angeles No Saint Louis, no New Orleans No you and me, no you and me, no sympathy Cause we're gonna bring them, bring them to their knees We go bom bom bom, bom bom away bom. Bom bom, bom bom. We go bom bom, bom bom away bom. Bom bom, bom bom. We're gonna take this city tonight We're gonna shake this city 'til broad daylight We're gonna take this city tonight We're gonna shake this city 'til broad daylight Shake it. No brights lights, no more big city. Shake it. No brights lights, no more big city. Shake it. No brights lights, no more big city. Shake it. No brights lights, no more big city
