

So here we go again.

(Room's spinning, room's spinning)

And oh, I can't wake up from this suffocated world that I live in.

And if I had drugs I'd do them.

(I'm runnin', I'm running around.)

Around, around, around, I'm paralyzed with open eyes.

I'm running, I'm running.

But I can't get out of here.

Around, around, around, around again.

I'm falling so quickly away,

From what I know.

(I'm lost, I'm lost in this abyss again.)

And oh, should I be afraid of them?

(Keep runnin', keep running.)

Even if I die, I'll be back in the end.

And when I had drugs I did them all.

I did them all. I made the call,

To get away from this fucked up place,

That I can't leave.

I'm running, I'm running.

But I can't get out of here.

Around, around, around, around again.

I'm falling so quickly away,

From what I know.

(I'm lost, I'm lost in this abyss again.)

(Crawling on, crawling on all fours inside)

Just run away I always do.

I always do my best.

Just run away! I did my best

I did my best to get away!

Just run!

I'm running, I'm running.

But I can't get out of here.

Around, around, around, around again.

I'm falling so quickly away,

From what I know.

(I'm lost and lost in this abyss again.)
