

## Explain It to Me

Liz Phair

Head underwater  
Keeps getting hotter  
Give 'em your medicine  
[Fame] injection  
Tell them to jump higher  
Tell 'em to run farther  
Make 'em measure up  
Decades longer than you  
[Piece] it together  
It's like weather  
Watch him travel  
Kiss the gravel  
Tell him to jump higher  
Tell him to run farther  
Make him measure up  
Ten times longer than you  
Ever should, you never could  
explain them to me, explain them to me
