Fuck and Run

I woke up alone I didn't know where I was at first Just that I woke up in your arms And almost immediately I felt sorry Cause I didn't think this would happen again No matter what I could do or say Just that I didn't think this would happen again With or without my best intentions What ever happened to a boyfriend The kind of guy who tries to win you over What ever happened to a boyfriend The kind of guy who makes love cause he's in it, and I want a boyfriend I want a boyfriend I want all that stupid old shit like letters and sodas letters and sodas You got up out of bed You said you had a lot of work to do But I heard arrest in your head And almost immediately I felt sorry Cause I didn't think this would happen again No matter what I could do or say Just that I didn't think this would happen again With or without my best intentions I want a boyfriend I want a boyfriend I want all that stupid old shit like letters and sodas letters and sodas I can feel it in my bones I'm gonna spend another year alone Fuck and run Fuck and run Even when I was seventeen Fuck and run Fuck and run Even when I was twelve You almost felt bad You said that I should call you up but I knew much better than that And almost immediately I felt sorry Cause I didn't think this would happen again No matter what I could do or say Just that I didn't think this would happen again With or without my best intentions I can feel it in my bones I'm gonna spend my whole life alone Fuck and run Fuck and run Even when I was seventeen Fuck and run Fuck and run Even when I was twelve
