

Perfect World

Liz Phair

What a pretty life you have
Oh boy, it's a pretty life you have
And I would need a map
Just so I could navigate the backyard
Home is very ordinary
I know I was born to lead a double life
Of murder, strife, and misery
And when I find it, I know I'll make sense of me
I wanna be cool, tall, vulnerable, and luscious
I would have it all if I'd only had this much
No need for Lucifer to fall if he'd learn to keep his mouth shut
I would be involved, be involved, be involved, be involved
I would be involved with you
I know the girls that live inside your world
Just sitting next to a mortal makes their skin crawl
I wanna be cool, tall, vulnerable, and luscious
I would have it all if I'd only had this much
No need for Lucifer to fall if he'd learn to keep his mouth shut
I would be involved with you
I wanna be cool, tall, vulnerable, and luscious
I would have it all if I'd only had this much
No need for Lucifer to fall if he'd learn to keep his mouth shut
I would be involved, be involved, be involved, be involved
I would be involved with you
With you
