

# Shallow Opportunities

Liz Phair

I don't understand you  
You're just a man who talks at me  
I'll just sit and take your pleasantries  
Until you run out of things to run past me

I don't have a reason  
I don't have a plan  
I operate on instinct

I give you the best of me  
My sexy sexy slight of hand

I'll wait right here  
Till you get back  
And take my shallow opportunity  
If you can't guess that I'm hanging out to see  
What you can do for me  
Cause you were new to me  
And that's what this game is all about (This game is all about)

And that's what this game is all about (This game is all about)
