

# Don't Cry Out Loud

Liza Minnelli

Baby cried the day the circus came to town.  
Because she didn't want parades just passing  
By she painted on a smile and took  
Up for some she danced  
Without a net upon a wire. I know a lot about  
Her, because you is an awful  
Lot like me.

Don't cry out keep learn  
How to hide your high and proud.  
And if you should fall, remember you almost  
Had it all.

Verse 2: Baby saw that when they pulled that  
Big top left behind her dreams  
Among the the different kind  
Of love she thought she'd was  
Nothing left but saw dust and some glitter.

Baby can't be broken, because you had  
The finest was me. I told her

Don't cry out keep learn  
How to hide your high and proud.  
And if you should fall, remember you almost  
Had it all.

Don't cry out keep learn  
How to hide your high and proud.  
And if you should fall, remember you almost  
Made it.

Don't cry out keep learn  
How to hide your high and proud.  
And if you should fall, remember you almost  
Had it all.
