

# It Was A Good Time

Liza Minnelli

I now pronounce you for the rest of your life  
I now pronounce you man and wife

It was a good time, it was the best time  
It was a party, just to be near you  
It was a good time, it was the best time  
And we believed that it would last forever  
We would stay together and share the laughter  
With never ever a morning after  
It was a good time, it was the best time  
It seemed a short time, but such a good time

Since you're gone and won't be mine again  
There are many stars that will not shine again  
Except some time deep in my reverie  
You return and then I remember when

It was a good time, it was the best time  
It was a party, just to be near you  
It was a good time, it was the best time  
And we believed that it would last forever

Here we go 'round the mulberry bush  
The mulberry bush, the mulberry bush  
Here we go 'round the mulberry bush, early in the morning

Mama wakes up and she's alone  
She's alone, she's alone  
Mama wakes up and she's alone, early in the morning

Falling down. Lon. My fair lady  
Yes she looks a lot like him, yes she does, but, yes  
My fair lady

Baby, baby Bunting, daddy's gone a-hunting  
Daddy's gone!

Dor-mei-vous, dor-mei-vous  
Mama will stay near you, mama will be near you  
Not your dad, that's too bad!

Good - bye - good - and I believed - ah-hah  
Since you've gone and won't be mine again  
There are many stars that will not shine again  
Except some times deep in my reverie  
You return and then I remember when

It - was - a - good - time, it was the best time  
It was a party, just to be near you  
It was a good time, it was the best time  
It seemed a
