

My Mammy

Liza Minnelli

Everything seems lovely
When you start to roam
But here's what you'll be sayin'
When you are far from home

Ma-a-ammy, Ma-a-ammy
The sun shi-ines east
The sun shines west
I know where the sun shines best

Oh my Mammy, my Ma-a-ammy
My heart strings a tangle around
Alaba-a-ba-ammy

I'm comin'
Sorry that I made you wait
I-I-I'm-ma-ma-comin'
I hope and pray I'm not too late
Oh my Ma-a-ammy
My little Ma-a-ammy
I'd walk a million miles
For one of those smiles
My Mammy

Ma-a-ammy, yeah-eah-eah, Ma-a-ammy
Woh-woh, the sun shines east
The sun shines west
But I know where the sun shines best
Oh Mammy
My little Ma-a-ammy

I'd walk a million miles
For one of those smiles
My Ma-Ma-a-a-a...-a-ammy
