

## Old Friends

Liza Minnelli

Hey! old friend  
What'd'ya say, old friend  
Are you okay, old friend  
Are we, uh, are we unique

Time goes by  
Everything else keeps changing  
You and I  
We can continue next week, yeah

Most friends fade  
Or they don't make the grade  
New ones are quickly made  
And in a pinch  
Sure, they'll do

But us, old friend  
What's to discuss, old friend  
Here's to us, who's like us  
Damn few

Old friends  
No I mean old friends
