

# Soon As I Get Home

Lizz Wright

There is a feeling here in side  
That I cannot hide  
And I know I've tried, but it's me turning me around

I'm not sure if I'm aware  
If I'm up or down  
Or here or there  
I need both feed on the ground

Maybe I'm just going crazy  
I let my self get up tide

I'm acting just like a baby  
But I'm gonna be  
I'm gonna be alright

Soon as I get home  
Soon as I get home  
Soon as I get home

In a different place  
In a different time  
Different people all all round me

I would like to know there different world  
And how different they find me

And just what's a wiss  
Is it big and will it scare me  
If I ask to leave will the wiss even hears me  
And how will I Knew then - if I ever get home again

Here I am alone  
Witch feels the same  
I don't know just where I'm going

Out here on my own and it's not a game  
And a strange wind is blowing  
I'm so amazed and the things that I see here

No I don't want to be afraid  
I just no want to be here

In my mind this is clear  
What am I doing here

I wish I was home  
I wish I was home
