

# Love You To Pieces

Lizzy Borden

Through my eyes I watch  
As you tried to run  
Over you I stand, with my smokin' gun

You can't walk out on me now  
I couldn't let you go  
If I can't have you  
No one will  
I see them all through

The eyes  
Through the eyes  
Of a man

Forever you'll stay safe and sound  
Buried deep into the ground  
In the back yard sealed real tight  
I know you'll never leave me now

Cause I know what's best for you  
And now there's nothing you can do  
So I think you understand  
What I see, I see through the eyes

The eyes  
Through the eyes  
Of a man

Home sweet home, true colors now are shown  
Kicked in the face alone  
Through my eyes I watch  
As you plead to me  
On your knees you cry oh so helplessly  
It's all over but the shouting  
And all along you knew the reasons  
Why I love you to pieces  
I see it in your eyes

In your eyes - in your eyes - in your eyes

Home sweet home, true colors now are shown  
Kicked in the face alone
