

# Save Me

Lizzy Borden

She's acting like a woman  
And you can tell by the look in her eyes  
She's still a child  
And she tells me  
She's gonna go far her own way  
And you know, yes you know  
It's just a game she plays

Save me  
I'm not just any fool  
You gotta - save me, save me  
I'm dying here with you

Search for what you need  
Hunger for the feed  
If you crash you soon will burn  
Never to return

I couldn't see  
My eyes were blinded  
Now you're a picture of the past  
A cold reminder

Save me  
I'm not just any fool  
You gotta - save me, save me  
I'm dying here with you

Search for what you need  
Hunger for the feed  
If you crash you soon will burn  
Never to return

Save me  
I'm not just any fool  
You gotta - save me, save me  
I'm dying here with you  
Yeah, you're killing me babe
