

# Voyeur (I'm Watching You)

Lizzy Borden

I watch you only, I wish you only knew  
I am you solely, I'm deep in lust with you  
You show me eplaythings I thought I'd never see  
But now I want to, to touch the real thing

I'm ready for action, I'm ready for you  
I just can't hold back, I'm exploding, I can't last

Voyeur  
I'm chasing shadows in the night  
Voyeur  
I'm watching you, you're in my sights

I know you so well, I know your every move  
I can't stop watching, I see what no one could  
You move your body, untouchable display  
You make me crazy, because you don't know me

I'm ready for action, I'm ready for you  
I just can't hold back, I'm exploding, I can't last

Voyeur  
I'm chasing shadows in the night  
Voyeur  
I'm watching you, you're in my sights  
Voyeur  
I'm holding on, obsessed inside  
Voyeur  
I'm watching, undercover spy

I want you so bad, you don't know I'm alive  
You never notice me watching all the time  
Uncensored sightings, undress you with my eyes  
I'm fantasizing you in suspended thight

I just can't hold back, I'm exploding, I can't last  
I just can't turn away, I'm right behind you  
A glance away

Voyeur  
I'm chasing shadows in the night  
Voyeur  
I'm watching you, you're in my sights  
Voyeur  
I'm holding on, obsessed inside  
Voyeur  
I'm watching, undercover spy

I'm chasing shadows in the night  
I'm watching you, you're in my sights
