Dangerous

His realm is a new horizon of cuts They expand from his hand as he conducts Aim a lot of cool projects not photography Cut-Creator, Philly-Phil's biography

The lyrical virtual also makes his return All adversaries should be concerned LL Cool J is back again Let me allow to introduce you to my friend Cut-Creator

He circumcises DJ's while he's on the airwaves Till the missions' complete, you're a musical slave English revision he endure any collision Like a searcher with a scalpel, he'll make the head decision As for me I'll annihilate, eggs, I'll let's 'em communicate You from rappin' and my lyrics are the best Slow down the rap but not the subject matter All you sucker DJ's will scatter Cut-Crea-tor will employ techniques that will absorb toy boy The real helper of cuts, Cut-Creator is his name The boys' so nice, my boat is your strain You could re-arrange but you don't have the brains To arrange scratch-padders for the audio change Not trippin' ah, my tree, for the mental geometry Just Cool J, that's me, I'm dangerous

"I need a beat"

Yeah I made it, don't look astonished I had to remind you of what I've accomplished My scenario, four-door stereo Up-bein' beat, zero is the ratio Cut-Creator, LL Cool J Say: "Ole", to what we just played Rappers who don't evade instead we invade And all competitors will be slayed Any comment is a compliment No groups' talent can be the equivalent Of mine and his combined Total harmony between the cuts and the rhyme So why listen the greats by the deaf of the bass Takin' out every sucker, DJin' the place A performance underrated, it's not narrated So Cut-Creators social statics can't be alleviated He's dangerous

Demolishin' DJ's in under a second I called an old phrase from my last record The beat alleviates, the scratch excels Except I came hear to raise some hell Searchin' up sykes and cuts like the blade He the scuser dry-smudge and make Coolay I drink at steady, the record turns many Instead of a needle, he uses a machete He scuffs the bars a-get you involved as the record revolves DJ's dissolve, usually, physically, mentally He's an innovator, greater, Cut-Creator is on the cross-fader

LL Cool J

Sometime I gotta check what I invest All Farmers Boulevard is where I rest I'm numero uno, amigo with an ego Such palms kill a France, say, en Italiano The mouth protects and I'll inject into your ears A new concept cuts soon in silence to be unfair To the Cool J phenomena, all must hail I'm dangerous
