LL Cool J

Yo baby  
Put your seatbelt on  
I got my paperwork, don't worry  
It's cool  
Illegal search  
(Do you wanna see it?)  
(I'm gonna do it)

What the hell are you lookin for?  
Can't a young man make money anymore?  
Wear my jewels and like freak it on the floor  
Or is it my job to make sure I'm poor?  
Can't my car look better than yours?  
Keep a cigar in between my jaws  
I drink champagne, to hell with Coors  
Never sold coke in my life, I do tours  
Get that flashlight out of my face  
I'm not a dog, so damn it, put away the mace  
I got cash and real attorneys on the case  
You're just a joker perpetratin a ace  
You got time, you wanna give me a taste  
I don't smoke cigarettes, so why you're lookin for base?  
You might plant a gun, and hope I run a race  
Eatin in the messhall, sayin my grace  
You tried to frame me, but it won't work  
Illegal search

Keep on searchin  
I'm totally relaxed  
Illegal searchin  
Illegal search

Keep on searchin  
Keep on searchin  
Keep on searchin  
Gotta, gotta, gotta...

I call it nice, you call it a 'drug car'  
I say 'disco', you call it a 'drug bar'  
I say 'nice guy', you call me Mr. Good Bar  
I made progress, you say, "Not that far"  
I just started it, you're searchin my car  
But all my paperwork is up to par  
It's in my Uncle's name, so the frame won't work  
Chump - illegal search

Keep on searchin

Illegal search

You won't find nothin

On the turnpike, and everything's right  
In the background is flashin lights  
Get out the car in the middle of the night  
It's freezin cold, and you're doin it for spite  
Slam me on the hood, yo, that ain't right

You pull out your gun if I'm puttin up a fight  
My car, my clothes, and my girl is hype  
But you wanna replace my silver stripes  
You're a real man, your uniform is tight  
Fingerprint me, take me name and height  
Hopin it will, but I know it won't work  
Illegal search

(Do you wanna see it?)

Hey yo, Marley

Keep it right there  
Funk it up

I was sued to court, the case got thrown out  
I'm that man that you all read about  
Put me in jail, you're doin it for clout  
I only got one question: what's that all about?  
Jail is somethin that I can do without  
Case dismissed, and now you wanna pout  
You feel like tryin it again, but you know it won't work  
Illegal search

Keep on searchin

Illegal search  
But I got all my ID, and my car's registered
