Lloyd Banks

New York City  
You are now rocking with the best  
Lloyd Banks  
G-Unit

We on fire  
Up in here, it's burning hot  
We on fire  
Shorty take it off if it get to hot, up in this spot  
We on fire  
Tear the roof off this motherfucker, light the roof on fire  
Nigga what you say  
We get loose in this motherfucker, light the roof on fire fire fire

Now I aint putting nothing out, I smoke when I wanna  
26-inch chrome spokes on the Hummer  
This heat gon last for the whole summer  
Running your bitch faster then the Road Runner  
Rocks on my wrist, rolls gold under  
Glocks on my hip, those throw thunder  
Im buying diamond by the pier  
But when you stop, the only thing still spinning is your ear  
Yeah, im ridin with that all black snub  
Raiders cap back, all black gloves  
Im 80s man, but the boy smack thugs  
These record sales equal more back rubs  
Not to mention I bought a pack of clubs  
His impacts about as raw as crack was  
Now all these new artists getting raw deals  
Im only 21, sitting on mills

We on fire  
Up in here, it's burning hot  
We on fire  
Shorty take it off if it get to hot, up in this spot  
We on fire  
Tear the roof off this motherfucker, light the roof on fire  
Nigga what you say  
We get loose in this motherfucker, light the roof on fire fire fire

If you know anything about me, then you know im a baller  
If I aint hit the first night, I aint gon call her  
Im trying to play, you trying to have my daughter  
But I can't blame her for what her momma taught her  
And I don't care bout what the next nigga bought her  
Cause I aint putting no baguettes in her butter  
I got a diamond about as clear as water  
And I got bread, but I aint spend quarters  
So cut the games ma, lets go in the back  
Matter fact, turn your ass round, back a nigga down  
And I aint bias when im riding through the town  
Like em small, like em tall, like em black, like em brown  
She gotta be able to cum when I need her  
Tight ass pants, little wife beater  
Regular chick or R&B diva  
Bitch say something, I aint a mind reader

We on fire  
Up in here, it's burning hot  
We on fire  
Shorty take it off if it get to hot, up in this spot  
We on fire  
Tear the roof off this motherfucker, light the roof on fire
