

Happy For You

Lloyd Cole

Lay your head upon my shoulder
Let it rest there for a while
I guess that i`m still good for something
Once in a while

And if you need someone to talk to
Just give a call i`ll be around
And if you want me to avoid you
Just say the word

If you love him you should leave me
That`s the best thing to do
And if you need him you don`t need me
Like you used to
And if you believe you`ll be happy
Then i`m happy for you

Yes and it`s just kind of funny
Ain`t it me who never cried?
I guess that i`ll still kind of love you
For a little while

If you love him you should leave me
That`s the best thing to do
And if you need him you don`t need me
Like you used to
And if you believe you`ll be happy
Then i`m happy for you

You silly thing
Don`t you apologize
No, no,
You,
You don`t owe me
