

My Way To You

Lloyd Cole

Well the last thing that you knew
He was walking out on you
To the point of no return
Where I found you

When I couldn't find my way home
I could always make my way to you
When I couldn't drink myself sober
I found you
I found you
I found you

Well the last thing that you need now
Is a shoulder there to bleed on
But I believe I've seen light
Coming through you, yeah yeah

When I couldn't find my way home
I could always make my way to you
When I couldn't drink myself sober
I found you
Baby I found you
I found you

When I couldn't find my way home
I could always make my way to you
When I couldn't drink myself sober
I found you
I found you

I couldn't find my way home
But I found you
I couldn't find my way home
But I found you
I couldn't find my way home
But I found you
I couldn't find my way home
I couldn't find my way home
But I found you
I couldn't find my way home
But I found you
I couldn't find my way home
