

Too Much Of A Good Thing

Lloyd Cole

If it's good for me
And it's good for you
Won't you stay with me
And I will stay with you, baby

Do you ever wonder
'Bout the way you move
You know what it does to me
You've got nothing to prove
Do you ever think about
Your natural grace
And how it is that it came to you
And landed on your sweet face

Ooh, ahh
Now every day that I go without you baby
Is a rainy day
I'm gonna get up in the morning
I'm gonna work all day
If that's what it takes
To be with you

If it's good for me
And it's good for you
Won't you stay with me
And I will stay with you
If it's good for me
And it's good for you
Won't you say to me
I want to stay with you, baby

Do you ever think about
The way that you move me
You know what it does to me
You've got nothing to prove to me
Do you ever think about
Your natural grace
And how it is that it came to you
And landed on your sweet face

Ooh, ahh
Now every day that I go without you baby
Is a rainy day
I'm gonna get up in the morning
I'm gonna work all day
If that's what it takes
To be with you

If it's good for me
And it's good for you
Won't you stay with me
And I will stay with you
If it's good for me
And it's good for you
Won't you say to me
I want to stay with you, darling

Waking up is hard to do
Except when I'm lying next to you baby

If it's good for me
And it's good for you
Won't you stay with me
And I will stay with you
If it's good for me
And it's good for you
Won't you say to me
I want
