

King of Hearts

Lloyd

Yeah yeah uh-huh
Girl tell me how it feel to you
I know it feel good to you
Girl tell me how it feel to you
I know it feel good to you
King Of Hearts

You don't know what you missin
I know what you need
Don't say goodnight girl no
(Oh no)
I'm a make love to you like the world's gonna end
Just don't say goodnight girl no
(Oh no)
Don't say goodnight

Crown me the king of your heart girl and
I be the only other lover that you need yeah
(I got you)
I be the king of your heart girl oh
I be the only that treat you like your only treat a queen
Oh

Don't say nothing
Yeah I'm a love your body right babe
Don't say you're leaving no

You don't know what you missin
I know what you need
Don't say goodnight girl no (Don't say)
(Oh no)
(Don't say) I'm a make love to you like the world's gonna end

Just don't say goodnight girl no
(Don't you say goodnight girl)
(Oh no)
Don't say goodnight

You say you got somewhere to be
But be believe me girl
(Believe me)
You will regret it if you want to leave me
(Don't go)

Cause I wanna teach you something new
(Yeah)
I wanna do those new things to you
(Damn right)
Just saying you gotta understand you got me beggin on my knees
Yeah oh

Don't say nothing
Yeah I'm a love your body right babe
Don't say you're leaving no

You don't know what you missin
I know what you need

Don't say goodnight girl no (Don't say)
(Oh no)

(Don't say girl) I'm a make love to you like the world's gonna end
Just don't say goodnight girl no (Don't say)
(Oh no)
Don't say goodnight girl

Don't say goodnight

Don't you say goodnight yeah

You don't know what you missin
I know what you need
Don't say goodnight girl no (Don't you say)
(Oh no)

(Don't you say) I'm a make love to you like the world's gonna end
Just don't say goodnight girl no
(Oh no)
Don't say goodnight

All I need is one girl in my life
Instead of lovin a million girls one way
I rather love one girl a million different ways
You know

Uh-Huh

King Of Hearts

I wanna to be I need to be
Girl I'm gone be king of your heart
The king of your heart
