I Am Not a Whore

I am not a whore I am not a whore I am not a whore I am not a whore I am not a whore I am not a whore But I like to do it

Most girls I meet are quite savage Always tryna' grab up on my package The say I look yummy and they want a taste But I'm a human not a sandwhich.

Sometimes I feel like llcooljay I make love not not wear them bootay But every girl I try to get to know Ends up tryin to do me I said

I am not a whore I am not a whore But I like to do it

Sometimes, I just wanna dance Girl I know yah like my style But get your hand outta my pants

I am not a whore (No no no) I am not a whore (not your hoe) I am not a whore (I just love the music) I am not a whore (But I like to do it)

I am not a whore I am not a whore
