

# I Don't Wanna Be

LMFAO

We don't got  
We don't got  
We don't got  
We don't got  
We don't got  
We don't got  
We don't got

When I walk in the club  
The people show me love  
They say what's up  
I say what's up  
We say what's up, what's up

I get looks from the ladies,  
Gaps from the dudes  
I'm dressed like it's the 80's  
No lenses checkered shoes

I got a drink in my hand  
You know my favorite one  
Its red bull and vodka  
And nigga, I'm faded as fuck

And then I get those call  
From my favorite hizzo  
She screaming "Where the fuck you at?"  
Baby girl I'm at the disco

I don't wanna be  
What you want me to be  
I don't wanna do  
What you want me to do  
Unless it's you baby  
Cause that's all I want  
So come back stop messin' with my head

She was my summer love  
Then it got serious  
She moved back to her momma's  
And got delirious  
She went back with her ex  
Kept me a secret  
Then gets mad at me  
When I go to the club and freak it

I don't know baby girl  
What you talkin' 'bout  
I'm dancing with her bud  
You got his dick in your mouth

I ain't no side dish  
I'm the main course  
I ain't your side bitch  
Better decide bitch  
Before I find another  
I'm a say this one more time

Before good-bye my lover

I don't wanna be  
What you want me to be  
And I don't wanna do  
What you want me to do  
Unless it's you baby  
Cause that's all I want  
So come back stop messing with my head (2x)

Eh, uh oh, put your hands up, put your hands up  
Put your hands up, put your hands up, Sky Blu

I got this girl  
She be my baby  
She is my world  
And drives me crazy

This ain't how it's supposed to be  
I feel like you're trying to take control of me  
I'm a man, but I can't glance at these  
I can't grow my trees, I can't smoke my weed  
Hey, that's how I roll  
To the show then off to the club I go  
You act like (?) when I (?) my hoe  
Girl, I'm trying to superman the ho

I do like I do baby, that's how I do, baby  
Me and my nigger RedFoo, baby  
She said, "you crazy"

Cause I don't wanna be  
What you want me to be  
I don't wanna do  
What you want me to do  
Unless it's you baby  
Cause that's all want  
So come back stop messing with my head (3x)
