

It's Your Love

LMNT

Dancin' in the dark, middle of the night
Takin' your heart and holdin' it tight
Emotional touch, oh touch my skin
And asking you to do what you've been doin' all over again
Oh its a beautiful thing, I don't think I can keep it all in
I just gotta let you know what it is that won't let me go

[Chorus]

It's your love it just does something to me
It sends a shock right through me
I can't get enough So if you wonder about the spell I'm under,
Oh it's your love

Better than I was, more than I am
And all of that happen by taking your hand
And who I am now is who I wanted to be
And now that we're together
I'm stronger than ever happy and free

[Chorus]

Oh it's a beautiful thing, I don't think I can keep it all in
If you asked me why I've changed (why I've changed), all I gott
a do is say your sweet name
It's your love it just does something to me it sends a shock ri
ght through me
I can't get enough So if you wonder about the spell I'm under,
Oh It's your love, yeah

Ooh, ooh uh yeah yeah.

Oh its a beautiful thing, I don't think I can keep it all in
I just gotta let you know what it is that won't let me go
It's your love it just does something to me it sends a shock ri
ght through me
I can't get enough So if you wonder about the spell I'm under
Oh it's your love, yeah

It's your love
