

Hey I've been watching you
Every little thing you do
Every time I see you pass
In my homeroom class, makes my heart beat fast
I've tried to page you twice
But I see you roll your eyes
Wish I could make it real
But your lips are sealed, that ain't no big deal
Cause I know you really want me
I hear your friends talk about me
So why you tryin' to do without me
When you got me
Where you want me

(Hey Juliet)
I think you're fine
You really blow my mind
Maybe someday, you and me can run away
I just want you to know
I want to be your Romeo
Hey Juliet

Girl you got me on my knees
Beggin' please, baby please
Got my best DJ on the radio waves saying
Hey Juliet, why do you do him this way
Too far to turn around
So I'm gonna stand my ground
Gimme just a little bit of hope
With a smile or a glance, gimme one more chance

Cause I know you really want me
I hear your friends talk about me
So why you tryin' to do without me
When you got me
Where you want me

Hey Juliet
I think you're fine
You really blow my mind
Maybe someday, you and me can run away
I just want you to know
I want to be your Romeo
Hey Juliet

I know you really want me
I hear your friends talk about me
So why you tryin' to do without me
When you got me
Where you want me
You don't have to say forever
For us to hang together
So hear me when I say
Hey Juliet
