

## Say

Lo-Pro

Say  
That you'll wait for me  
I'll come running back to you  
As fast as I can

Say  
That you'll pray for me  
I'm lost in this world  
I'm calling out to you

Say  
That you'll live for me  
I'm out of this world  
I don't know what to do

Say  
That there's hope for me  
I'm through with this world

And all I have is you!  
And all I have is you!  
And all I have is you!
