

A Cowboy Afraid Of Horses

Lobo

I don't talk much
I don't have alot to say
So when it comes to a love life
It's hard to find a way
If it wasn't for bad luck
I'd have no luck at all
And so a woman like you
Bucks me up to the wall

I feel like
A cowboy afraid of horses
Just like a sailor
Scared to death of the sea
Like a magician
With his hands tied behind him
That's how I feel
When you're around me

We go out somewhere
There are people staring at you
I feel strange inside
I don't know what to do
I never have had someone
Anyone else would want
But you handle it so well
You just act non-chalant
