A Cowboy Afraid Of Horses

I don't talk much I don't have alot to say So when it comes to a love life It's hard to find a way If it wasn't for bad luck I'd have no luck at all And so a woman like you Backs me up to the wall

I feel like A cowboy afraid of horses Just like a sailor Scared to death of the sea Like a magician With his hands tied behind him That's how I feel When you're around me

We go out somewhere There are people staring at you I feel strange inside I don't know what to do I never have had someone Anyone else would want But you handle it so well You just act non-chalant
