## I'd Love You To Want Me

When I saw you standing there I bout fell out my chair And when you moved your mouth to speak I felt the blood go to my feet.

Now it took time for me to know what you tried so not to show Now something in my soul just cries I see the want in your blue eyes.

Baby, I'd love you to want me The way that I want you The way that it should be Baby, you'd love me to want you The way that I want to If you'd only let it be.

You told yourself years ago You'd never let your feeling show The obligation that you made For the title that they gave.
