

## She Didn't Do Magic

Lobo

Thumbing across Georgia I ran into Gloria  
She seemed like a mystic to me  
With a wave of her hand  
She could make you feel grand  
That was her mystery  
Now I'll admit she knew alot of tricks  
But so do lots of other chicks

She didn't do it like you can do magic  
She didn't do it to me  
She didn't do it like you can do it  
She didn't do magic to me

Hiking through Virginia I met Melinda  
She looked enchanting to see  
She said give me your arm  
And I'll show you my charms  
That was her sorcery  
I say it I will she had alot of skill  
But compared to you she was way down hill

Arriving in Cleveland I'm coming to see you  
Get you crystal ball out of the drawer  
Cause I can tell if you been using you spell  
And baby I know what for  
The magic you loaned was to bring me home  
And baby my love for you has grown

So you better do it like you can do magic  
You better do it to me  
Cause she didn't do it like you can do it  
She didn't do magic to me
