

# Standing At The End Of The Line

Lobo

You've been around for a long, long time  
I've seen you here before  
You'll meet some guy who really turns you on  
And sneak out of the side door.

You'll never look my way I know  
I ain't much to look at  
But one of these nights you're going  
Home with me, I'm gonna see to that.

Well I'm just waiting out my time  
Standing at the end of the line  
I got a lot of loving I'm saving  
inside for you  
Yes I'm just waiting out my time  
Standing at the end of the line  
But you're gonna know that you've  
been loved when I get through loving you.

You look right at me and smiled  
One time just last week  
And what one look from you did to me  
It kept me in my seat

But you picked another guy to entertain  
you that night  
And I was left to entertain myself  
so I got into a fight.
