Well, punk is dead And, yeah, you're next But it seems no one has told you yet So hardcore You must be sore You come on like a major threat Face...I know you like it hard 'n' straight Face...Think I'll hang around and wait Hey, old school...yeah, you were cool But that was back in the day Yeah, that was back in the day Well, take a bow Harder than thou You scream "Guilty" like a Judge on high Well, beat them back The new jacks More than music it's a way of life
