

Yeah - I made a promise to love myself but somehow I don't think

that I'm gonna make it

Yeah - Is that me behind the screen?

I see some shapes but I can't see any faces

An ego might not be so bad

It could be something I should have

I can't make my mind up

Help me with this while I grip this

I made a promise to myself but I think I need some help

If you see something that is good in me won't you tell me?

- and maybe I'd be something you could stand

Yeah - I made a promise to love myself

I think this could be good for you as well me

Yeah - I know I'm not much fun

The joke I have become doesn't make you laugh

An ego might not be so bad

It could be something I should have

I can't make my mind up

Help me with this while I grip this

I made a promise to myself but I think I need some help

If you see something that is good in me won't you tell me?

- and maybe I'd be something you could stand

Here comes the doubt again
