

Grrrlfriend

Local H

I'm in love with a riot grrrl
I'm in love with a riot grrrl

I'm a boy and I know that that's bad
But I don't see what's got her so mad
Now I'm not dumb -

I've got my eyes tied on
I've seen her 'zine and I think it's right on
Now I don't care if she makes me be quiet

I'm in love and I think it's a riot
