## Local Natives

The desk where you sit inside of a  
frame made of, made of, of wood  
I keep those chopsticks you had from when  
you taught abroad, taught abroad, in Japan

I love it all so much  
I call  
I want you back, back, back  
You back

I did not know you as well  
as my father, father knew you  
Every question you took the  
time to sit and look it up,  
look it up in the encyclopedia

I love it all  
So much I call  
I want you back, back, back  
You back

I love it all  
So much I call  
I want you back, back, back  
You back

Da da daaa ay

It sounds like we  
would have had a great deal to say, to say  
to each other  
I bet when I leave  
my body for the sky the wait,  
the wait will be worth it

I love it all  
So much I call  
I want you back, back, back  
You back

I love it all  
So much I call  
I want you back, back, back  
You back
