Warning sign
Warning sign
I hear it, but I pay no mind

Hear my voice
Hear my voice
It's saying something
It's not very nice

Pay attention
Pay attention
I'm talking to you
And I hope you're concentrating

I've got money now
I've got money now
C'mon baby
C'mon baby

Warning sign of things to come
Happened before, it'll happen again

Hear my voice
Move my hair
Move it around a lot
I don't care what I remember

Warning sign
Warning sign
Look at my hair
I like the design

It's the truth
It's the truth
Your glassy eyes
And your open mouth

Take it easy, baby
Take it easy
It's a natural thing
So relax

I've got money now
I've got money now
C'mon baby
C'mon baby

Warning sign of things to come
Love is here, but I guess it's gone now

Warning sign of things to come
Love is here, but I guess it's gone now

Hear my voice
Move my hair
Move it around a lot
I don't care what I remember
