Warning sign  
Warning sign  
I hear it, but I pay no mind

Hear my voice  
Hear my voice  
It's saying something  
It's not very nice

Pay attention  
Pay attention  
I'm talking to you  
And I hope you're concentrating

I've got money now  
I've got money now  
C'mon baby  
C'mon baby

Warning sign of things to come  
Happened before, it'll happen again

Hear my voice  
Move my hair  
Move it around a lot  
I don't care what I remember

Warning sign  
Warning sign  
Look at my hair  
I like the design

It's the truth  
It's the truth  
Your glassy eyes  
And your open mouth

Take it easy, baby  
Take it easy  
It's a natural thing  
So relax

I've got money now  
I've got money now  
C'mon baby  
C'mon baby

Warning sign of things to come  
Love is here, but I guess it's gone now

Warning sign of things to come  
Love is here, but I guess it's gone now

Hear my voice  
Move my hair  
Move it around a lot  
I don't care what I remember
