

## Ego Pawn

Lock Up

Sick of being used  
Trapped inside this shell  
Years escaping time  
Fear reshaping lives  
These ego pawns who call the shots  
Torture architects of fate  
Are we born to soil the rot  
Ego Pawn  
Memories fuel the fire  
Have I got the strength  
Resistance breeds acceptance  
Impatience feeds reluctance  
Show me the sign  
Ego Pawn
