

## Away From Here

Locksley

All of this time it was so obvious to me  
I read the signs, some things you must want to see  
So come, come we must go  
Away from here  
Oh we both know  
There is no staying here  
So what can I do, oh I belong to you  
I'll tell you the truth, that is if you want me to  
But come, come we must go  
Away, away from here  
Oh we both know  
There is no staying here  
Come we must go  
Away, away from here  
Oh we both know  
Let's go away from here
