

Darling, It's True

Locksley

Baby dry your eyes I'm going to find a reason why
I'm going now even though your arms are the place I know
So if I feel you I'm just dreaming
Maybe it's because, oh baby I'm leaving
Baby, I'm grieving
I know you're crying, won't match mine
Darling something you should know know know
Hate to but I have to go go go
Wish it wasn't but oh oh oh
It's true
Miss you darling oh yeah yeah yeah
Think about you every night and day
Forget about you no way-ay-ay
It's true, it's true
Girl I love you!
Every time I think of you I get that feeling like I don't know
what to do
What if I've forgotten you?
So I take your picture off my wall, my memory's not that bad at
all
Oh can you see, or have you forgotten me?
I heave a sigh to keep from crying
Darling something you should know know know
Hate to but I have to go go go
Wish it wasn't but oh oh oh
It's true
Miss you darling oh yeah yeah yeah
Think about you every night and day
Forget about you no way-ay-ay
It's true, it's true, it's true
Some day you'll find your piece of mind
Wish you could find some piece of mind
You're crying, ooooo
Darling, it's true
Girl I love you!
Darling something you should know know know
Hate to but I have to go go go
Wish it wasn't but oh oh oh
It's true
Miss you darling oh yeah yeah yeah
Think about you every night and day
Forget about you no way-ay-ay
It's true
