

Into The Sun

Locksley

so 17
but she knows
that's just what this boy needs
knows what to do
when shes with me
she's just thinking of you
she's never gonna love me
still she's
leading me about
(i said shes) shes never gonna love me
i'll be
seeing myself out

sha la la la la
in
sha la la la la
and in
and out
and in
again and out
sha la la la la
in
sha la la la la
it's in
on me
and you
are in

I walk out into the sun
and it sounds like everyone
(everyone) (is out)
while I'm in here

she'll cause a scene
cuz she knows,
she knows what gets to me
the middle is her favorite target
quite conveniently
she's never looked so lovely
has she
as she moves a mount
cuz she's saying that she loves me
could mean
that shes not talking, no
shes not talking now

sha la la la
then
sha la la la la
and in
between
sorry, too
and im out

sha la la la la
in
sha la la la la

and then
again
and still pretend

and walk out into the sun
and it sounds like everyone
(everyone) (is out)

while I'm in here, low
(so low)
sure as I'm the last one there to know
the girl's not only playin games with me
but I'm high (so high)
thinking I am the last to find out, why?
but I won't let that bother me

walk out into the sun
and it sounds like everyone
(everyone) (is out)
while I'm in here
I walk out
into the sun...
